PRINCE2® Reference Tabs

Principles	

Theme: Business case	Theme: Organization	Theme: Quality	Theme: Plans	Theme: Risk	Theme: Change	Theme: Progress

Tailoring and Adopting PRINCE2	Introduction to processes	Starting up a project	Directing a project	Initiating a project	Controlling a stage	Managing product delivery	Managing a stage boundary	Closing a project

Best Practice User Group NL

Community for Best Practices on Project-, Programme-, and Portfoliomanagement

Join our community and enjoy the benefits:
- free entrance to our annual BPUG seminar
- free workshops and expert sessions
- a discount of 15% on business literature
- be a member of a fast growing professional network

PRINCE2® Manual 2017
www.bpug.nl

Use these tabs to quickly find the right subjects during your exam. Attach the tabs to your manual: detach from sticker sheet, attach up to the dotted line and gently fold back.

For the best result we advise you to work from the end towards the beginning and from right to left. See figure below.

You can order extra stickers through your ATO or through our BPUG site.

Managing Successful Projects with PRINCE2®
